## FINANCIAL TERMS AND OPTIONS

### Payment:

1) Payment can be made with debit, credit card, cheque, cash or money order. Payment cannot be made using the deceased person's credit cards, debit cards or chequing account unless the purchaser has signed documentation prior to the death, at the financial institution for 'joint status' on the account. Power of Attorney ceases at the time of death and will not qualify as having "joint status". Also, being an executor does not qualify as being "joint status" on a bank account or credit/debit card. A \$25 fee will be charged to the Purchaser for any payments returned by a financial institution. Additional information about funding, payment and financing options is available on request.

2) A refundable deposit of \$350.00 will be charged by the Funeral Home for cremated remains that are unclaimed for 1 year from the date the cremation took place. If the cremated remains are not claimed by the Purchaser within 1 year, the Funeral Home may inter the cremated remains in a cemetery, including a common lot for which the cemetery is the interment rights holder.

### Prearrangement Funding

For your convenience, we offer a trust funding option when prepaying for services and supplies. When prepaying, you pay for the services today and the money will be used for the services and supplies when they are delivered at the time of death. You may pay the money directly to us and we will put it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled. Prearrangement funds are accepted by cheque only and are made payable to "Lampman Funeral Home in Trust". These funds will be deposited and held in trust at Guaranteed Funeral Deposits (GFD) and will earn interest for a 5-year GIC term. The trusted funds and accumulated interest will be redeemed and applied to the services and merchandise when the funeral contract is fulfilled at the time of need.

### Social Assistance

The Niagara Region offers coverage for funeral services on behalf of residents whose estates cannot otherwise cover the cost. Should this be the case we can help guide the family in the right direction.
